COLLEGE, KEEZHAMOONGILADI.  
AFFILIATED TO ANNAMALAI UNIVERSITY,  
CHIDAMBARAM.

# PROJECT TITLE

## DIGITAL PORTFOLIO

A Digital Portfolio is a curated collection of your best work, presented in a professional and accessible online format. It's a powerful tool that showcase your skills, experience, clients, or educational institutions. By including variety of projects and explaining your role and process for each, you can demonstrate your abilities more effectively than a traditional resume alone.

# PROBLEM STATEMENT

In today's digital era, traditional resumes alone are not enough to showcase skills and projects effectively. Many students and professionals lack a structured online presence to highlight their work. A digital portfolio provides an interactive and accessible platform to present achievements, skills, and experience.

# PROJECT OVERVIEW

- 
- 1. Project Title:** Personal Digital Portfolio by Ayisha. M.Y,  
Data Science student.
  - 2. Objective :** To design and develop a responsive portfolio website to  
showcase academic background, skills, and contact details professionally.  
project overview-Digital Portfolio Website.
  - 3. Key Features:** Navigation Bar-Links to Home, About, Skills, Education and  
Contact sections.

Hero section- Displays name , title, location, and social links.  
About section- Overview of education and career interests.  
Skills section- Programming skills in python, html, css and js.  
Education section- Academic details and learning focus.  
Contact form- Allows visitors to get in touch via email.

# PROJECT OVERVIEW

Responsive design- Compatible with mobile and desktop devices

## 4. Technologies Used:

HTML 5- Structure of the website.

CSS3- Styling and layout design. Font Awesome -icons for visual enhancement.

JavaScript- Interactive features (toggle menu, contact form).

## 5. Expected Outcome:

A professional-looking personal portfolio website that highlights academic and career achievements, helping in internships, job applications, and professional networking.

# End Users

## 1. Potential Employers/Recruiters.

- To review your skills, education, and contact information for internships or job opportunities.

## 2. College Faculty/Academic Evaluators.

- To assess your project work, presentation, and technical knowledge.

## 3. Peers/Collaborators.

- Fellow students, developers, or friends who may want to collaborate on projects.

## 4. General Visitors.

- Anyone interested in learning about your background, skills, and academic journey.

# TOOLS AND TECHNOLOGIES

## Tools Used

HTML5- Structure and content of the website.

CSS3- Styling, layout, and visual design.

Font Awesome – Icons for navigation and sections.

JavaScript- Interactivity(menu toggle, form handling).

Code Editor(codepen/ w3 school)- For writing and edit Chrome code.

Web Browser (Chrome)- For testing and running the website.

# TOOLS AND TECHNOLOGIES

## Techniques Used

Responsive Web Design(RWD)- Ensuring website works on mobile, tablet, and desktop.

Bar Design - Smooth section linking for user-friendly experience.

Section -Based Layout - Dividing content into Hero, About, Skills, Education, and Contact sections.

Form Handling Technique -Collecting user input in the contact form.

Use of External Libraries - For Awesome Font.

# PORTFOLIO DESIGN AND LAYOUT

## Design

Minimal & Professional Look - Clean and simple interface with a focus on content. Font Awesome Icons- For visual appeal and navigation clarity.

Color Scheme - Soft background with readable text contrast. Typography - Clear headings and readable body text.

## Layout

Navigation bar- Fixed menu with Home, About, Skills, Education, and Contact sections. Hero Section - Name, title, location, and quick action buttons (LinkedIn, Contact). About Section - Personal introduction and highlights (Education Focus, Interests, Goals). Skills Section - List of technical skills (Python, html , css , js) Education Section - Details of academic background and highlights.

Contact Section - Contact details, social links, and message form.

# FEATURES AND FUNCTIONALITY

## Features

1. Responsive Design - Works on desktop, tablet, and mobile.
2. Navigation Bar - Easy access to all sections (Home, About, Skills, Education, Contact).
3. Hero Section - Profile name, title, and location displayed prominently.
4. Interactive Buttons - LinkedIn and contact links open directly.
5. Font Awesome Icons - For better visual representation of sections.
6. Contact Form - Users can send messages directly.
7. Footer - Displays copyright and basic information.

# FEATURES AND FUNCTIONALITY

## Functionality

Smooth Scrolling between sections using navigation links.

Clickable Social Media Buttons to redirect to LinkedIn.

Form Submission to collect visitor messages (can be linked to email or database in future).

Mobile-Friendly Layout ensuring proper alignment across all devices.

# RESULTS AND SCREENSHOTS

- Before vs After(Plain HTML → with CSS and JS)

**Hello, I'm Ayisha**

Aspiring Web Developer | Data Analyst |  
Programmer

# RESULTS AND SCREENSHOTS

About section Displaying bio and highlights :

## About Me

I'm Ayisha, currently pursuing my 2nd year B.Sc. in Data Science at Shree Raghavendra arts and science College, keezhamoongiladi, Chidambaram. I have a strong foundation in programming languages such as C, C++, Java, and Python, along with good knowledge of data structures. In my free time, I enjoy reading books. I am passionate about machine learning, learning new technologies, and applying them to solve real-world problems

Send

The image shows a contact form titled "Contact Me". It consists of four input fields: "Your Name", "Your Email", and "Your Message", each in its own box, followed by a "Send" button at the bottom.

# CONCLUSION

“The Digital Portfolio effectively showcases my personal profile , academic background, technical skills, and career aspirations in an organized and visually appealing format. It serves as a professional platform for potential employers, faculty, and collaborators to learn about my abilities and achievements. The project demonstrates my knowledge of web development using HTML, CSS, and JavaScript and highlights my capability to create user friendly and responsive designs.”

**"THANK YOU"**
